SUSTAIN'S VALUES

Our mission: to change people's lives through passion-filled expeditions into untamed wilderness. We seek to create deep and lasting human connections with nature and the people who conserve it.

Our goals: to play a meaningful role in expanding or enhancing protected areas and biodiversity; to operate sustainably and responsibly; to help establish viable biodiversity economies and tourism destinations; to promote environmental and cultural education; and to positively transform ecosystems and the communities around them.

Sustainability Commitment: At Sustain Safaris we commit to living up to our name, to walking the talk, to genuinely applying sustainability practices into our business operations. We administer the **Sustain Conservation Fund**, which supports **4 conservation organizations**. We also apply our **Sustainability Practices** across **4 themes**.
